

## Charging and Remission Policy

### 1.0 Purpose of this Policy

Pond Meadow Academy Trust aims to value each child as an individual and enable them to achieve their full potential through a wide variety of opportunities and experiences.

This document sets out the school's policy for charging for the provision of this wide variety of opportunities and experiences. Whilst the intention is to apply the policy equally in order to promote fairness, very effort will be made to ensure that no child is prevented from participating because of financial circumstances.

### 2.0 Day Trips

Charges levied for day trips will represent the actual cost of providing the trip. No profit will be made.

Where the trip occurs during the school day, parents will be asked for a voluntary contribution to cover the cost of their child's participation.

Every effort will be made to ensure that the voluntary contributions are made but, if sufficient funding is received, the school reserves the right to cancel the trip.

Once a trip has been paid for, there will be no reimbursement for absentees on the day.

Where a child may be prevented from participating in an outing because of the financial hardship, consideration should be given to reducing the voluntary contribution expected. Any shortfall will be met from school funds.

Where sponsorship or donations have been received towards the cost of the trips, it is for the school to decide how to use them. Contributions may be offset against the cost of the trip as a whole or used to reduce or remit the charge for the individual children who would be unable to participate because of financial hardship.

Children will be treated equally regardless of the amount of voluntary contribution made by parents.

### 3.0 Experiences Offered in School

Each phase is responsible for providing enhanced learning experiences within the school.

The cost of providing these experiences is to be met by a voluntary contribution sought from parents of children within the phase who will benefit. The school will subsidise where possible from the phase budget.

It is not expected that any profit will be made.

Where voluntary contributions are sought, the school reserves the right to cancel if insufficient funding is received.

# POND MEADOW ACADEMY TRUST

No child is to be prevented from participating because a voluntary contribution has not been received but parents will be encouraged to pay.

Once a voluntary contribution has been made, there will be no reimbursement for absentees on the day.

Children will be treated equally regardless of the amount of voluntary contribution made by their parents.

## **4.0 Residential Trips**

Charges levied for residential trips will represent the actual cost of providing the trip. It is not expected that any profit will be made.

An initial deposit is usually requested for such trips with the remaining cost paid in instalments. This initial deposit is non-refundable should a child subsequently not participate in a trip. A request for the refund of any further payment must be made in writing by the parent, and if the cancellation is due to illness, a medical certificate may be required.

Where sponsorship or donations have been received towards the cost of the trips, it is for the school to decide how to use them. Contributions may be offset against the cost of the trips as a whole or used to reduce or remit the charge of individual children who would be unable to participate because of financial hardship.

Children will be treated equally regardless of the payment made by their parents.

## **5.0 Uniform**

Uniform is sold at cost. It is not expected that profit will be made.
