# Uploading Evidence

You can also share home learning activities with your child's class teacher.

The screenshot shows a web interface for 'Test Learner 1' at 'Pond Meadow Academy Trust'. The navigation menu includes 'Home', 'Activities', 'Journal', 'Feedback', and 'Upload', with 'Upload' circled in red. On the right, there are links for 'Notifications', 'Change Password', and 'Logout'. The main form area contains a date field with '07/10/2020', three 'Choose File' buttons, a note about file formats (JPG, MP4, MOV) and size (10MB), a text area for 'Add a comment', and a 'Submit' button. A blue box on the left contains the text 'Click 'upload'' with an arrow pointing to the 'Upload' button. Another blue arrow points from the bottom of the 'Choose File' buttons to the 'Submit' button.

Click 'upload'

You can then add saved pictures and videos of your child's home learning tasks. If using a tablet or phone, you can take a photo to upload. Short feedback comments can also be added to the comment box to let the teacher know how your child found the task.

# Journal

All of your child's home learning is saved on the system and can be accessed via the 'journal' tab.

Click on the 'journal' tab to access a record of all the home learning that has been uploaded. Additional comments can also be added and learning can be printed if you wish.

# Help

If you need any help or further information, then please email your child's class teacher.

Evidence for Learning also have a range of online resources that offer detailed step by step guides in order to access the site and complete different functions.

Please visit their resources centre and select 'Parent Engagement' to view these resources.
