

# Money

## Outdoor activities

### - Natural objects as 'money'

You could use natural objects as 'money' to buy other natural objects e.g using stones to buy some flowers or sticks etc.

## Indoor activities

### - Snack, Post Office or tuck shop – anything!

Make your own shop with different items to buy. Your children could even 'buy' their own snacks for the day!

### - Money matching

Using coins you have, photos of coins, drawings of coins – anything. You could make a matching game, can your child find the same coin?

### - Money more/ less

Using coins you have, photos of coins, drawings of coins – anything. You could ask your child to find you a coin which is more than that coins value or less of that coins value?

### - Coin sorting

Using whatever coins you have can

your child sort them? (picture is American money)

### - Money ordering

Using coins you have, photos of coins, drawings of coins – anything. You could order the coins by value or size.

### - Making different values

Using coins you have, can you use them to make different values?

(they are American coins in the picture)

- **Coin counting**

You could use 1p coins to count up to however many you have?

- **Coin adding**

Using whatever you have, can you add coins together? How many do you have?

- **Drawing coins**

You could draw/ colour a range of coins from British coins or coins from different countries.

- **Coin stacking**

Can you stack the coins, who has the largest stack?

**Worksheet based activities**

- **Twinkl**

Twinkl has a wealth of worksheets for your children but you do need to set up a FREE account which lasts a month. Search for 'money' in the search bar at the top and plenty of worksheets will come up.
