

Equipment Advice Sheet – During COVID - 19

Please be advised that CFHS Therapy services are adapting, through prioritising clinical need, their service provision for routine equipment reviews. This is following Government guidance to reduce the spread of Covid-19 and to protect children, young people and their families

If a Specialist chair breaks please contact Millbrook Healthcare on: **0330 124 1247**

If your chair was provided by social care OT teams please contact them in the usual way to discuss new concerns. They are continuing to contact their clients for seating reviews.

If the specialist seat is being used **in school** or was **brought home from school** and needs adjusting or you require advice please contact the NHS occupational therapist team, see website for teams and contact details:

If a child's standing frame or walker needs repairing please contact Millbrook Healthcare on: **0330 124 1247**

If it needs adjusting or you require advice please contact the physiotherapy team: see website for teams and contact details:

<https://childrenshealthissurrey.nhs.uk/services/physiotherapy-include-orthotics>

If a child's splints are painful or are causing marks that do not go away after 30 minutes of not wearing them please stop using them. Please contact the physiotherapy team: see website for teams and contact details:

<https://childrenshealthissurrey.nhs.uk/services/physiotherapy-include-orthotics>

If your home equipment breaks please contact Millbrook Healthcare on: **0330 124 1247**

If a child's wheelchair needs repairing or you require advice please contact the Wheelchair Service which provided it. CFHS do not issue.
